Dear Parents,

Subject: CULTURAL DAY

Kindly note that the Year 1 and 2 Cultural Day will be held on Sunday 2nd May 2010. The day will be a representation of the peaceful co-existence of the different nationalities in the U.A.E. The event will be a learning experience for the children as they will experience the different customs, tradition, history and highlights of the different countries.

We would like to provide the Year 1 and 2 parents with an opportunity to share the day's occurrence with their children. Therefore we request your sincere participation in organizing the event with the help of the teachers. Appointed Teacher coordinators will be in touch with the parent coordinators for each country, in due course.

They will form country teams to discuss and decide the decorations, information cards, activities, games and treats for the day. We request you to support your country teams in order to provide the best experience for the children.

The Management.
