

Dear Parents

Subject: Help for Typhoon Ondoy Victims in the Philippines

On September 26, 2009, Typhoon Ondoy brought a month's worth of rainfall to Metro Manila and nearby areas in just a few hours, causing severe flooding which resulted in the loss of many lives and the displacement of hundreds of thousands of people.

If you wish to extend help to those who have been affected by typhoon Ondoy, send your donations to Pristine Private School, Dubai. We will consolidate donations from all the kind-hearted people until 8th Oct '09 and then forward the same to Sagip Kapamilya of ABS-CBN Foundation.

Sagip Kapamilya is a program of ABS-CBN Foundation, Inc. that extends emergency humanitarian assistance to families affected by calamities. Sagip Kapamilya offers relief, rehabilitation and disaster preparedness projects.

Sagip Kapamilya was formed in late 2004 in response to a series of typhoons that left towns damaged and Filipinos in bad need of food, medicines and aid. The Sagip Kapamilya project operation aimed to gather enough funds and relief for these Filipino victims. Through its different television channels (ABS-CBN Channel 2 and The Filipino Channel) SK launched a telethon for a massive appeal for help to worldwide audiences. These funds were then used to rebuild lives in disaster-affected communities.

Lets us donate generously to reach people in need to find relief.

Thanking you.

The Management
