Dear Parents,

**Subject: CAN COLLECTION DRIVE**

As a member of EEG (Emirates Environmental Group) who makes a continuous effort to promote community involvement in environmental programs, we at Pristine are committed as responsible individuals to contribute towards this worthy cause.

Amongst one of the most successful on going environmental projects that they have, is the "Can Collection Drive". Last year the drive saw a total collection of 18,000 Kgs and this year the aim is to surpass this elusive target.

As socially responsible individuals we urge all of you to get involved and show the commitment to preserve and protect the environment.

Your child can bring any amount of empty cans and submit to the class Teachers. The good news is that the class teachers will be giving out 2 house points for every 10 cans they bring. The deadline for submission will be Tuesday 23<sup>rd</sup> of February 2010.

**Thank You,  
The Management.**
