

Addendum – Food & Beverage Policy

Addendum to the Food & Beverage Policy During the COVID-19 Pandemic

This addendum provides additional information in respect of how the current Food & Beverage Policy of Pristine Private School will be applied during the current COVID-19 pandemic. It should be read in conjunction with that policy. The addendum will apply for as long as the KHDA guidance states that changes to student’s attendance at school remain in place.

Objective: Health and Safety of our Students, Staff and Pristine Community.

Procedure:

1. School canteen closed during the pandemic until further notice.
2. Parents encouraged to supply healthy food and beverage for their child/children doing blended learning on Campus.
3. Vending machines for water have been installed at various locations within the school premises, which is accessible to students if required.
4. Parents to encourage student about hygiene – clean their hand before and after eating, and after sneezing or coughing.
5. All students and staff advised to wear a face shield preferably during break/mealtime.
