**Attendance Policy**  
**'Everyday Counts'**

### **Rationale**

The school recognises the importance of regular attendance of pupils. This policy aims to ensure the best possible pupil attendance and follow up procedures for pupil absence. It has been established through extensive research that regularity to school is a key factor within students' and families' control which is closely associated with academic success. Students need to be in the classroom to benefit from the teacher's guidance and from interaction and exchange of ideas with peers. Good attendance not only maintains continuity of learning but also enhances the social, emotional development of the pupil.

Excessive absences affect the culture of the classroom, where the faculty seeks to build a community of learners. A student's excessive absences or tardiness can lead to incomplete and unsatisfactory work, a reduced capacity to meet curricular standards, and lower course grades.

### **Responsibility of the Parents**

Parents/guardians are partners with the school and faculty in assuring that students have good attendance and arrive in class on time. Parents determine a valid reason when an absence should be excused and should email the respective Phase of the absence by 10:00 a.m. of the day on which the student is absent.

### **School Responsibility**

Pristine Private School keeps accurate records of student attendance and will communicate promptly and consistently with parents/guardians regarding attendance issues.

### **Aims**

This attendance policy is designed to foster a culture of learning in the school.

This policy:

- Establishes firm expectations that on-time school and class attendance are important in sustaining the learning environment and in meeting individual learning needs.
- Provides significant flexibility to accommodate legitimate absence or lateness with a minimum of administrative procedure.
- Assures the timely flow of information from parents to school and from school to parents about attendance at school and in class so that both can work to improve a situation before a student's education suffers.
- Clearly defines the responsibilities of students, educators, and parents regarding absences, tardiness, and dismissals.

### **Key Points**

- Students should be in school every scheduled day and attend all classes.
- Except in the case of excused late arrivals and early dismissals, students must adhere to the following daily routine
